25X1A 1. a. The former Artillerie Kaserne on the western side of Highway No. 109, Trenzlaw (N 54/Q 04), was occupied to capacity by troops with tank insignia on 9 November 1949. About 150 unarmed soldiers carrying light baggage left the kaserne in small groups and went to the railroad station on 9 and 10 November 1949. The troops boarded trains leaving toward Berlin.

25X1C

b. The former Artillerie Kaserne on the eastern side of Highway 109 was occupied to capacity on 9 November 1949. 2,000 to 3,000 troops fell in for a review on that day. Groups of 30 to 35 soldiers were seen at basic infantry training in the immediate vicinity of the kaserne. Soldiers wearing tank insignia and some soldiers wearing artillery insignia were observed.

25X1C

2. The kaserne on the western side of Highway 109 was occupied by about 2,500 troops on 15 November 1949. Troops underwent basic training both with and without rifles in the kaserne yard. About 600 troops were drilled outside the kaserne area.
